*New accounts only, subject to credit approval and applicable law. The 20¢ per gallon promotional rebate is based on your billing cycle and ends 90 days after the QuikTrip fleet card account is issued. The standard fuel rebates of 5¢ per gallon (QT Fleetmaster Card) and 3¢ per gallon (QT Fleetmaster Plus Card) begins when the promotional rebate ends and are based on the number of gallons purchased at QuikTrip-branded locations each month with a QuikTrip fleet card. Rebates for this program are subject to change at any time. Rebates will appear as a credit on your billing statement, and earned when balances due are timely paid pursuant to the terms and conditions of your account agreement.

Frequently Asked Questions

Is a fleet card right for my small business?

Absolutely. A “fleet” can be one business vehicle or twenty. If you have employees driving for your business, you can benefit from the control and savings.

How is this better than my business credit card?

A credit card shows you what was spent. A fuel card gives you control over what can be spent before it happens. It helps block unauthorized transactions at the pump and provides you with data—details like fuel grade and gallons purchased that you don’t get with a standard credit card.

If I choose the revolving credit option, are all other card features the same?

Call 1-888-737-7633 to learn more about our revolving credit option, and how it compares to other QuikTrip fleet cards.

Are your reports compatible with my bookkeeping software?

Report data can be exported into most major bookkeeping and accounting software. You can also download them as PDF files.

How can I apply for the QuikTrip Fleetmaster Card?

Call or email your QuikTrip sales representative to get started. Contact info is provided below.
